Easy Symbian Suite has an easy to use interface containing 7 buttons, each of them leading to a certain application included in this suite. The 7 applications of this suite are : 1- Carrier Creator; 2- Carrier Creator Formated; 3- Carrier Creator Transposed; 4- Carrier Creator Packed; 5- Carrier Creator Compressed; 6- Carrier Creator Packed with White Bock; 7- Carrier Creator Packed with Blue Bock. This suite is available in 2 Forms :A new poll from Morning Consult finds that most Republican leaders in the Senate prefer to pass President Donald Trump's tax overhaul, despite their criticism of the White House's plan. Nearly two-thirds of all Republican senators and most of their leadership support the plan, though their support has grown more muted in the last few days. But 40 percent of Republicans want their party to stick to their previous position and oppose the plan, while 26 percent support repealing the individual mandate in the healthcare law, which would probably go along with the tax overhaul. The numbers are less clear from Republican voters. Nearly half of Republicans oppose the plan and a third want their party to stick to its previous position. But a large majority supports repealing the individual mandate, which would probably go along with the tax overhaul. Republicans have been suggesting they may not vote for the current tax bill, despite the president's claims to the contrary. Sens. Bob Corker (R-Tenn.), Jeff Flake (R-Ariz.) and Rand Paul (R-Ky.) have announced their opposition. A new CNN/SSRS poll released Tuesday found that 65 percent of Americans oppose the plan, while 35 percent support it. Morning Consult's poll surveyed 1,509 registered voters and has a margin of error of plus or minus 2 percentage points. Morning ConsultDouglas- The attached memo was circulated earlier today to all ENA managers. It is my understanding that the letter is a follow up to a conference call between Vince, Vasant, and myself. If you would like to call Vasant in the morning (India time), I can coordinate a time for him to talk with you. Thank you. Greg Willis ECN 5
