Ben Hanson of MinnMax interviews key figures in PopCap Games history to tell the

full story. In this release: What did you dream about as a child? How did you decide to connect your life with a computer? How much money did you earn in the early years and how did you spend it? How do you rate your contribution to game development? At what point in your life did you decide to become a computer artist? What has your job at PopCap Games taught you? Whom did you look up to and what did you rely on in your work? Why did you decide to develop a control system in the form of a gamepad? What is your main goal at the moment? What

are your dreams?
