JAPANESE VERSION ELDER KING: THE KING OF THE ELDENS Lands Between: A Fantasy Action RPG 2nd Beta ■ STORY ■ After the destruction of Elden, the vampire by the name of Yoko Oka had been eaten by the wolf god. For his next move, the wolf god gave him a task and he should use his power to corrupt the power of the humanity and bring back the people to their high time. Janna Leblanc was a skilled child of France and the fairy world, the goal of her existence was to find her brother Vincent. Vincent met the vampire, Yoko Oka and fell in love with her. He was not able to make contact with his brother who was in the land of the dead after he had used the fairy power up to the limit. With Yoko, Janna achieved the power of an Elden, a creature born from a union of a human and a vampire. Together with the Elden Ring, Janna wandered in a vast world, going through a vast world in search of her brother. ■ GAMEPLAY ■ In the game, a vast world full of high fantasy, action, mystery and imagination, is the lands between. A fantasy action RPG where exploration, battles, and action games are blended, which leads to an intense and exciting experience. The Lands Between The continent where the game takes place. Clocking in at 1700 square kilometers, this continent gives you freedom to choose where you want to go, and there is more than enough to experience. The continent is divided into eight sub-regions. There are five sub-regions at the top, five sub-regions at the bottom, and four cities in the middle. Arc du Luz A sprawling forest of majestic trees, where countless mysteries await in the shadows. Ilactus A vast desert, where the raging sea of sand creates a terrifying environment to the enemies. Les Dunes Sud A vast inland sea, where no one can escape the menace. Arc du Nord A huge, interconnected area of mountains and lakes, home to a great number of dungeons. Arc du Vent A vast tropical forest brimming with variety. Arc du Sud A vast highland region, where strength and great courage are required to navigate. There are

GAMING NEWS - The last remaining Elden Ring bosses in the game are being made available in the Adventure Information drop event, where players will get some extra goodies and have the chance to pick up some of the most powerful items in the game. Now is the perfect opportunity for any player to get a head start on the boss fights, even with the absence of any preceding information regarding the boss fights. **EU**

NEWS - The continent of Europe is about to be hit by a massive power outage caused by an unidentified source. Despite the disproportionate power loss across the continent, it seems that the glitch is limited to Europe. This may prove to be the first time of such nature for the continent, and if so, will leave it with an irreversible damage to its economy. The exact cause of the glitch is yet to be determined. **MECHAT'S NEWS** -

And then it's a short episode as Daniella Imhotep gets special guests to debate the pros and cons of Quantum Suicide.The present invention relates generally to pool cleaning devices. Specifically, the present invention relates to systems for recording the fluid flow within a pool. In the past, the cleaning of swimming pools by professionals has relied upon various manual systems for obtaining a complete record of the fluid flow within a pool. These manual systems included preformed, sealed envelopes containing the fluid in the pool. The envelopes were placed under the pool cover. They were sealed and affixed to the pool cover and the pool cover in turn was closed. The pool cover was then closed tightly to the deck. The envelopes were inserted underneath the pool cover when it is installed. When installing the pool cover, one would press the under surface of the pool cover against the envelopes to securely hold them in place. A heavy plank or metal board was then pushed on top of the envelopes so that a large depression was formed in the top surface. This would be the area that had water in
