Devil May Cry 4 has been released in the PSP's Europe and America versions, while its Japan-exclusive edition, Devil May Cry 4 Plus, is bundled with extra missions and new costumes. No longer being developed, it was supposed to be the last Devil May Cry, but was replaced by the following title, Devil May Cry 3: Dante's Awakening, and the planned games in the series. Throughout the series, the eponymous hero Dante has been the protagonist. In the games in the series, Dante travels to hell in search of his missing brother Vergil, who was summoned to hell to fight Lucifer. In order to return to his brother, Dante must seek the Weapons of Souls, a group of weapons that will help Dante save Vergil, and obtain an allegiance with the fallen angel, Vergil's friend, Nero.
